(Dkt. #57.) On October 1, 2020, Valve filed a Motion to Dismiss Plaintiffs' First Amended Complaint, which seeks dismissal of all claims with prejudice. (Dkt. #59.) Valve's motion is noted for consideration on October 23, 2020.

Under Federal Rule of Civil Procedure 16(b)(4), the Court may modify case deadlines on a showing of good cause. Here, the parties agree that good cause exists to strike the current deadlines in the Initial Scheduling Order and reset them for particular dates after the Court rules on Valve's pending motion to dismiss. The outcome of Valve's pending motion will effect whether and how this case proceeds. It is more efficient and practical for the parties to conduct the Rule 26(f) conference, exchange initial disclosures, and prepare and file the Combined Joint Status Report and Discovery Plan after the Court rules on Valve's pending second motion to dismiss. No prejudice to the parties will result from striking and re-setting these deadlines. The parties' request is not made for the purpose of improper delay or to burden the Court.

III. <u>CONCLUSION</u>

The parties respectfully request that the Court strike the current deadlines in the Initial Scheduling Order and reset them for particular dates after the Court rules on Valve's pending motion to dismiss.

DATED this 8th day of October, 2020.
